**GENERAL MEETING | TUESDAY 26 JUNE 2018 | 10.00AM**

**CHAIRMAN’S ADDRESS – Ms Valentina Stojanovska**

### **Welcome and Introduction**

On behalf of the Directors of Contango Global Growth Limited, I would like to thank you for taking the time to attend today’s General Meeting. The formal business of today’s meeting is to approve the change of the Company’s name from Contango Global Growth Limited to WCM Global Growth Limited and making consequential changes to the Company’s constitution to reflect the name change.

### **Commentary**

In what has been a positive year to date for the Company in terms of portfolio performance, the board, together with the Company’s manager Contango Asset Management, have been closely monitoring the performance of the Company’s share price. The Board has approved a change of the Company’s name to WCM Global Growth Limited subject to shareholder approval. This decision was made to more closely promote the Company with WCM Investment Management, being the investment advisor making the investment decisions in respect of the Company’s portfolio of assets. WCM Investment Management is a specialist global equity investment management firm and currently manages over A\$35 billion of funds. The Company’s investment strategy is the Quality Global Growth strategy of WCM.

The board reached this decision in consultation with the Company’s manager, Contango Asset Management, having formed the view that a change in name to align with the WCM brand will assist in the Company’s ability to promote and market the Company. The change of name, together with the strength of the WCM brand and the strong underlying portfolio performance, are considered to be an important step towards addressing the Company’s share price discount to NTA.
